

Pricing

The Barnwright 3D designer

\$0 setup	\$250 a month, from go-live	Included your first lot	\$250 one time, each lot after the first
---------------------	---------------------------------------	-----------------------------------	--

What it costs

Setup	Your price list, styles, sizes, colors, logo, web address and website code, set up by us from your answers to our Setup Questions.	\$0
Monthly fee	Your 3D designer and Dealer Center for your first lot, on your own web address, with hosting, updates, fixes and help. Starts on your go-live date.	\$250 a month
Each extra lot	Its own 3D designer link, its own customers and its own team. Paid once, before the lot opens.	\$250 one time

For example

Your lots	1	2	3	5	10
You pay, one time	\$0	\$250	\$500	\$1,000	\$2,250
Then each month	\$250	\$250	\$250	\$250	\$250

Everything is included

- Your 3D designer: every style, size, color, door, window and option you sell, with your prices and rent to own.
- Your Dealer Center: your price list, lots, team, customers, quotes, follow-ups and orders.
- Your web address (yourname.barnwrightsoftware.com), and the code to show your 3D designer on your own website.
- Hosting, updates, fixes and help.

How to start

1. Email sales@barnwrightsoftware.com. We send you the Sign-Up Form, the terms and the Setup Questions.
2. Sign the form and answer the questions. Send your logo, price sheet and photos of your buildings.
3. We build your 3D designer and show you your buildings and prices. You check them.
4. You open it to your customers.

Fees do not include sales tax. Fees are paid by card, bank payment or invoice. The Barnwright Software Terms and Conditions apply.
