Welcome to your Barnwright 3D designer

Everything you need to get started, on one page

1 Your Dealer Center

Open **https://(your 3D designer web address)/dealer** and sign in with your email and password. **Getting started** on **Today** shows what is left to do. Your 3D designer web address: _____.barnwrightsoftware.com

2 Keep it on your computer

In Chrome or Edge, click **Install** at the right end of the address bar. On your phone: **Share**, **Add to Home Screen**.

3 Your prices

Price list: your styles, sizes, doors, windows and options. Change a price and every lot has it at once.

4 Your lots

Lots, **Add a lot**. Each lot has its own 3D designer link and its own customer list.

5 Your team

Team, **Add a person**: your managers and dealers. Each one makes their own login with the email you add.

6 Your website

Lots, pick a lot, **Put the designer on your website**, **Copy website code**, and send it to whoever runs your website.

7 New quotes

Every quote a customer sends shows up in **Customers** as New, on the lot it came from.

8 Your card

Your monthly fee is charged to the card you saved when you signed up. To use a different card, ask Alan for a new card link.

9 Help

Tap **Help** in your Dealer Center, or email **support@barnwrightsoftware.com**.
