Pricing

The Barnwright 3D designer

$0	$250	Included	$250
setup	a month, from the day it's ready	your first lot	one time, each lot after the first

What it costs

Setup	Your price list, styles, sizes, colors, logo, 3D designer web address and website code, set up by us from photos of your buildings, price list and options.	**$0**
Monthly fee	Your 3D designer and Dealer Center for your first lot, on your own 3D designer web address, with hosting, updates, fixes and help. Starts the day your 3D designer is ready.	**$250 a month**
Each extra lot	Its own 3D designer link, its own customers and its own team. Paid once, before the lot opens.	**$250 one time**

For example

Your lots	1	2	3	5	10
You pay, one time	$0	$250	$500	$1,000	$2,250
Then each month	$250	$250	$250	$250	$250

Everything is included

- Your 3D designer: every style, size, color, door, window and option you sell, with your prices and rent to own.
- Your Dealer Center: your price list, lots, team, customers, quotes, follow-ups and orders.
- Your 3D designer web address (yourbusiness.barnwrightsoftware.com), and the website code to show your 3D designer on your own website.
- Hosting, updates, fixes and help.

How to start

1. Alan sends you a sign-up link. Two minutes on your phone.
2. We build your 3D designer and show you your buildings and prices. You check them.
3. You open it to your customers.

Fees do not include sales tax. Fees are charged to the card you save when you sign up, or paid by invoice if we agree. The Barnwright Terms and Conditions apply.
